Dear Sir:

I am writing to enclose this form for injury of Leniel Hooker, and to tell you I have to get some information before I can send the form for the other player, Wilmore Williams. I will get this to you as soon as I get an answer from the ballclub. The team is at present on the road. I should be able to send it to you within a week.

I am sorry I did not send the form to you as soon as the accident occurred, but I explained to you on the telephone, I am working alone, and this is the first time I have had to take care of this job. I will see to it that it is taken care of punctually in the future.

Very Truly Yours
